You'll need: Printed Template, Standard, Hole Punch, Bendy Straw, Tape, Glue (optional), 3/16" dowel (optional)

- 1) Cut pinwheel and flower along blue lines.
- 2) Hole punch blue dots
- 3) String Flower onto the bent end of the straw.
- 4) Cut four 1/2" slits around the bent end of the straw, fold back and glue/tape to flower.
- 5) Fold punched corners of pinwheel into the center so holes align, tape or glue down.
- 6) String Pinwheel from bottom of straw until past the bend.
- 7) Place a piece of tape behind the pinwheel to hold in place
- 8) For extra stability, slip straw over a 3/16" diameter dowel.
